### 'What did we do?', 'When did we do it?'

### **Description of Entity's Outcomes**

Our charity's outcome indicators (which are based around our organisational values) are as follows:

- 1. All children in the program have hope/aspiration (Tumanako).
- 2. All children in the program have multiple positive relationships (Whanaungatanga).
- 3. All children in the program become lifelong learners (Ako).
- 4. All children in the program can feel a sense of belonging and express love to others (Aroha).
- 5. All children in the program have self determination (Rangatiratanga).
- 6. I Have A Dream staff are inclusive, efficient and provide quality services.

	2021 ACTUAL	2020 ACTUAL
Description and Quantification of the Entity's Outputs		
Number of children signed up to IHAD services and programmes (Y0-Y13)	1,003	903
Percentage of entire school population signed up to IHAD Programme	99	95
Total support hours (note this is not a full year due to Covid lockdowns and school restrictions)	8,737	9,280

As an additional output from this financial year, there were 620 whanau involved in IHAD.

Structured Programming: 10 per day - 40 per week. Each programme is 2.5 hours. Run term time only. Attended by 2,247 dreamers (some dreamers attend more than 1 programme)

School day: In class support - Monday to Thursday - 4 hours per day x 14 full time navigators working directly with children

Face to face time spent with Dreamers affected by Covid during 2021. Navigators switched to on line support by taking part in google classrooms, providing online activities, phone support, delivery of food parcels.

2021 saw Dreamer enrolments sitting at the largest number since the Whangarei operation began.

### Additional Output Measures

#### **Growth in Operations & Quality**

Our number of Navigators increased to 14 in 2021. In mid-2021 we created a new role of Fundraising & Partnerships Manager. This is the first role of this type that is Northland based.

Covid-19 continued to have a significant impact on our operations in 2021. In particular it meant, once again, less overall face to face time spent with Dreamers across the course of the year. Navigators were however able to switch to online support by taking part in Google classrooms, providing online activities, phone and social media support for Dreamers and whānau and food deliveries to families in need throughout the year.

It was clear in 2021 that the organisation was able though to build on the significant experiences and learnings associated with Covid-19 from 2020 and provide Dreamers, whānau and our school partners with ever improving and relevant support. Our agility and ability to adapt as an organisation has proven to be a great asset in the last two years of Covid-19. Despite these Covid-19 related disruptions and challenges, in 2021 for the first time our enrolled Dreamer numbers exceeded 1,000 (1,003 at year end). And across our four partner schools 99% of school enrolled students are also enrolled with I Have a Dream.

Covid-19 also continued to have a major impact on our Research and Evaluation collaboration with the University of Auckland. This research relied substantially on a bi-annual process of individual questionnaires being completed by all Dreamers, as well as teachers and Navigators. This has just not been possible in the last 2 years now due to Covid-19 impacts and restrictions.

In late 2021 we made the decision to discontinue the current Research and Evaluation approach – not least as we had a significant two-year period where we had not been able to collect any data. We are continuing to look at how we will now re-start our quantitative research programme as a result of these ongoing disruptions/realities. This re-start process is also strongly linked to our Theory of Change refresh project that we are commencing in early 2022. That work will help inform us how exactly we should/will evaluate and measure our impact going forward.

There remains an abundance of qualitative and anecdotal evidence about what is working well for us in Whangārei. As an example, in early 2021 the University of Auckland produced a research report analysing qualitative data from the I Have a Dream programme. The University looked at the date through the lens of our Te Ao Māori values-based kaupapa and identified the concept of 'culturally responsive pedagogies'. The report shares that the utilisation of this concept – such as a values-based kaupapa – will improve both Māori and non-Māori student achievement. We are continuing with this values-based line of research again in 2022.

Our aspiration to expand I Have a Dream into new communities in Northland and nationally over time is still very much alive. While Covid-19 has also taken away some of our resourcing of and attention to expansion in 2021, we are currently working closely with a community group and Primary school in the lower North Island and working towards the establishment of an I Have a Dream programme there in late 2022/early 2023. In 2022 we also hope to be able to put more time and resources again into further expansion of the programme in Northland

## **Statement of Accounting Policies**

### I Have a Dream Charitable Trust For the year ended 31 December 2021

### 'How did we do our accounting?'

### **Basis of Preparation**

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

### Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

### Income Tax

"I Have a Dream" Charitable Trust is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

### **Bank Accounts and Cash**

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

### **Revenue Recognition**

Donation revenue is recognised on the date the donation is made.

Interest income is recognised using the effective interest method.

Dividend revenue is recognised when the shareholder's right to received the payment is established.

Grants are recognised as revenue on receipt where no performance conditions have been specified on receipt of the grant. Grants revenue includes grants given by other charitable organisations, philanthropic organisations and businesses. Grant revenue is recognised when the conditions attached to the grant has been compiled with. Where there are unfulfilled conditions attaching to the grant, the amount relating to the unfulfilled condition is recognised as a liability and released to income as the conditions are fulfilled.

### Property, Plant & Equipment

The entity has the following classes of Property, Plant & Equipment:

- Buildings
- Motor Vehicle
- Office Equipment
- Plant & Equipment

All property, plant & equipment, except for land and buildings, is stated at cost less accumulated depreciation. Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. Where an asset is donated to the entity, its cost is measured at its current value as at the date of acquisition.

Depreciation has been calculated in accordance with rates permitted under the Income Tax Act 2007. Depreciation is charged on a straight line basis over the useful life of the asset, except for land. Land is not depreciated. Depreciation is charged at rates calculated to allocate the cost or valuation of the asset less any estimated residual value over its remaining useful life:

Building	10%
Motor Vehicle	21-40%
Office Equipment	36-67%
Plant and equipment	15-20%

Depreciation methods, useful lives and residual values are reviewed at each reporting date and are adjusted if there is a change in the expected pattern of consumption of the future economic benefits or service potential embodied in the asset.

#### Investments

Share investments in listed companies are recorded at historical cost. Any gains or losses are recognised in the Statement of Financial Performance.

#### **Employee Costs**

Employee entitlements are measured at undiscounted nominal values based on accrued entitlements at current rates of pay. These include salaries and wages accrued up to balance date, annual leave earned but not taken at balance date and etc.

#### **Expense Recognition**

Expenses are recorded when they are incurred.

#### **Changes in Accounting Policies**

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

### INDEPENDENT AUDITOR'S REPORT

### To the Trustees of I Have a Dream Charitable Trust

### Opinion

We have audited the performance report of I Have a Dream Charitable Trust (the Trust) on pages 3 to 4 and pages 6 to 17, which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended 31 December 2021, the statement of financial position as at 31 December 2021, and the statement of accounting policies and other explanatory information.

In our opinion:

- a.) the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- b.) the performance report on pages 3 to 4 and pages 6 to 17 presents fairly, in all material respects:
  - the entity information for the year ended 31 December 2021;
  - the service performance for the year then ended; and
  - the financial position of I Have a Dream Charitable Trust as at 31 December 2021, and its financial performance, and cash flows for the year then ended

in accordance with the requirements of the Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) standard, issued in New Zealand by the New Zealand Accounting Standards Board.

### **Basis for Opinion**

We conducted our audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)), and of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). Our responsibilities under these standards are further described in the Auditor's Responsibilities for the Audit of the Performance Report section of our report.

We are independent of I Have a Dream Charitable Trust in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)*, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, I Have a Dream Charitable Trust.

### Information Other Than the Performance Report and Auditor's Report

The Trustees are responsible for the other information. Our opinion on the performance report does not cover the other information included in the annual report and we do not and will not express any form of assurance conclusion on the other information. At the time of our audit, there was no other information available to us.

In connection with our audit of the performance report, if other information is included in the annual report, our responsibility is to read the other information and, in doing so, consider whether the other

PO Box 136 Shortland Street Auckland 1140

Phone + 64 9 302 7306 Website www.jsa.net.nz Email enquiries@jsa.net.nz information is materially inconsistent with the consolidated performance report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of our auditors' report, we concluded that there is a material misstatement of this other information, we are required to report that fact.

### Trustees' Responsibility for the Performance Report

The Trustees are responsible on behalf of the Trust for:

- a.) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the consolidated statement of service performance;
- b.) the preparation and fair presentation of the performance report which comprises:
  - the entity information;
  - the statement of service performance; and
  - the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report

in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) issued in New Zealand by the New Zealand Accounting Standards Board; and

c.) for such internal control as the Trustees determine is necessary to enable the preparation of a performance report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the Trustees are responsible on behalf of the Trust for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Performance Report

Our objectives are to obtain reasonable assurance about whether the performance report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of this performance report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the performance report, whether due
  to fraud or error, design and perform audit procedures responsive to those risks, and obtain
  audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
  not detecting a material misstatement resulting from fraud is higher than for one resulting from
  error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
  override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by those charged with governance and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the performance report, including the disclosures, and whether the performance report represent the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures to obtain evidence about and evaluate whether the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Restriction on Responsibility**

This report is made solely to the Trustees, as a body, in accordance with section 42F of the Charities Act 2005. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trustees as a body, for our audit work, for this report, or for the opinions we have formed.
